TRANSFORMATION EXPERT

## At a glance

**Location:** United Kingdom

**Availability:** On Request

**Day Rate:** On Request

**IR35 Status:** Outside

## Why Relevant

Over 25+ years leading enterprise PMO and portfolio environments, this expert designs governance models that bring structure without slowing momentum.

## Certificates

- APMG Accredited
- PMO Trainer
- ITIL Foundation
- APM Affiliated

## Recent Impact

**Global IT Transformation:** Enhanced TMO governance and reporting, increasing visibility and delivery confidence across a multi-year programme.

**Higher Education PMO Build:** Established full PMO capability — structure, controls, and frameworks — enabling safer, prioritised change delivery.

**Retail Portfolio Uplift:** Delivered maturity assessment and redesigned portfolio model, embedding prioritisation discipline and leadership coaching.

**£100m+ Platform Migration:** Led governance assurance across complex legacy transformation, ensuring gate compliance and financial control.

**£32m Core Portfolio Stabilisation:** Built and led portfolio PMO across UK and offshore teams, managing finance, vendors, and 200+ resources.

**Regulatory Programme (BCBS 239):** Strengthened risk and governance frameworks across six concurrent projects in a highly regulated environment.
